An aerial night view of a modern villa. The villa features a large swimming pool with a central staircase, surrounded by a paved deck with lounge chairs and tables. The villa has multiple levels with balconies and glass railings. The interior lights are on, and the pool is illuminated from within. The surrounding area is landscaped with plants and a stone wall. The overall atmosphere is serene and luxurious.

HIGHLIGHT 1

Villa for private use of your work  
community for *a whole month*

HIGHLIGHT 2

Relaxing *togetherness* in an  
inspiring environment

# Destination Split-Dalmatia

Split-Dalmatia region in Croatia is a versatile travel destination, where you can find lot of interesting history, the most beautiful beaches and wonderful nature attractions.

In addition to the beautiful coastline of the mainland, there are many islands in the area. All of them have interesting small island villages or hidden beach coves.

The biggest city on the coast is Split. In the old town, protected by UNESCO, you can find many good restaurants and cafes in the small alleys between the city walls and historical buildings. The Diocletian's Palace in the center of the city, preserved from the time of ancient Rome, is definitely worth seeing.

## Highlights of the area:

- Crystal clear Adriatic Sea and beautiful archipelago
- Natural parks (eg. Krka water falls) and hiking trails in the mountains
- Historical old towns and Game of Thrones locations

# Villa Mia

The wonderful Huvila Mia is located in the coastal village of Podstrana, surrounded by greenery. The villa is in a quiet area, but services and the beach can be found less than a kilometer away. The modern villa has a stylish interior and high-quality equipment. The villa has, among other things, a swimming pool and a gym. The villa is partially air-conditioned. Villa Mia can accommodate 12 guests at a time.

The villa consists of three floors. The first floor has a small gym, kitchen, utility room, bathroom and separate toilet. The second floor has an open space with a comfortable air-conditioned living room, a second kitchen and a dining area. You can also go to the balcony from the space. In addition, there are three bedrooms on the second floor. On the third floor of the villa, there is a space with a living room with air conditioning, a dining area and a fully equipped kitchen. You can also access the balcony from this space. There are three more bedrooms on the floor.

The center of the courtyard area is a spacious swimming pool, next to which there are various sun loungers. In addition to the pool area, the yard has a grass area, a barbecue area and a dining area. There is also a space for sitting in the yard. If you need an activity, there is a ping-pong table in the yard. In addition, there is a parking space in the yard.

INFORMATION

# Villa is at your disposal for the whole month

The company's annual remote work trip for employees offers new experiences and inspiration for work. Each year, a villa is rented from a different destination, always for one month at a time, and the guests at the villa change every week. In this way, as many employees as possible are offered the opportunity for a remote work week.

The equipment of the remote work villas always includes a fast internet connection, as well as comfortable spaces for working and spending free time.

## EXPERIENCES

# Activities in the area

On a remote work trip, after working days, employees can independently enjoy the area's wide range of activities according to their own interests. In the vicinity of the villa, there is always something to choose from:

Golf

Boat trips

Hiking and walking trails

Guided City Tours

White water rafting

Water sports

Padel

... and much more!

Villada's travel advisors are available to help with group activities or recommendations if needed.
