HIGHLIGHT 2

New inspiration in  
a *dream* work environment

# Destination Algarve

The south coast of Portugal offers unique beach landscapes, many activities and, of course, delicious food. The Algarve region has many charming little towns to visit during your trip.

Here, the climate is one of the most favorable in continental Europe, even in winter, so the trip can also be scheduled for earlier spring or later autumn.

## Highlights of the area:

- Beautiful rocky beaches & fishing villages
- Good activity opportunities
- Nice weather conditions also in spring and autumn

# Villa Vicente

Villa Vicente is located in a quiet area of Carvoeiro, yet just outside the lively center. The villa consists of eleven spacious apartments, which are built around a shared swimming pool, creating a peaceful and private environment. This spacious villa can accommodate even larger groups (up to 40 guests) and there is a private space for everyone, so it is ideal for business groups.

Each apartment is air-conditioned and decorated in a lovely beach style. All have spacious bedrooms, a fully equipped kitchen, a dining/living area and a private furnished patio. In the middle of the accommodation facilities is a large heated swimming pool, surrounded by sun loungers and a large partially covered sun terrace. In the cozy yard area you can also find, for example, jacuzzi and sauna. The canopy has tables and seats for up to 40 people for shared meals and an outdoor kitchen for cooking. The nearest beaches and restaurants are within walking distance from the villa.

To make remote working days go smoothly, the villa has a private chef in charge of breakfast and lunch.

Ready-made breakfast items are waiting at the villa every day, and at lunch time the chef is on site conjuring up a tasty lunch buffet in the local way, around which everyone can gather together to enjoy the lunch moment.

## EXPERIENCE

# Activities
