Destination Sitges

Sitges is the perfect destination for a combined business and leisure trip. There are around 300 sunny days in the Catalonia region every year.

Beautiful seascapes, natural sites and excellent restaurant offerings make it possible for the work trip to be complemented by memorable vacation experiences.

The drive to the center of Barcelona is approx. half an hour and to the airport only approx. 20 minutes.

Highlights of the area:

- Wineries, especially Cava production
- Beautiful sandy beaches
- Garraf Nature Park

Villa Felix

Villa Felix offers rustic charm, history and elegant Spanish tradition. There are 21 bedrooms in the villa, and with extra beds the place can accommodate up to 50 guests. Villa Felix is also great for events, such as birthday and wedding parties or corporate events.

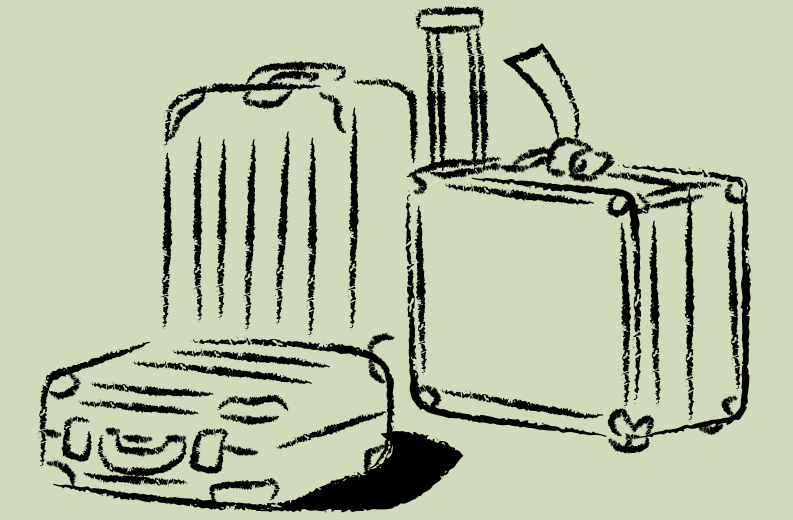

The villa has been completely restored respecting the original style and part of the building has been preserved even since the 1100s. Surrounded by vineyards and located inside a stone wall, the property was once the original village of Olivella.

The house has several living rooms, a cinema and two fully equipped kitchens. There is also a spacious annex with its own garden and swimming pool suitable for smaller children. The villa also has a sauna with room for ten people.

The village of Olivella surrounds the villa and there is a family-friendly restaurant nearby. The seaside town of Sitges, with its pedestrian streets and beaches, is only a 15-minute drive away. There are also activities at the villa itself, e.g. in the form of table football and billiards.

EXPERIENCE

Festive Dinner at the Villa

On the day of the party, our private chef will conjure up a delicious local dinner for your group. Dinner starts with a rich tapas table and appetizers. After this, it's time to sit at the tables and enjoy the delicious main dishes and desserts.

Waiters and bartenders also arrive at the villa with the chef to make sure that the dinner service runs smoothly and your group can focus on enjoying the evening.

EXPERIENCE

Live Music & Flamenco

Already during dinner, your group will be entertained by a local guitarist and singer with background music. After the meal, flamenco dancers who join the musicians later in the evening will put on an entertaining show in the Spanish style.

After this, the evening can continue in the villa's "dance shed" according to your own dance steps.

EXPERIENCE

Winery Visit

There are many excellent wineries in the vicinity of the villa. On a day trip you can get to know perhaps the most famous of them: Torres and Freixenet. At both wineries, after private guided tours, those who wish can taste the wines of the farm with tapas.
